

## Biography of The Big Billy Goat Gruff

Big Billy Goat Gruff was born in the Derbyshire countryside on 25<sup>th</sup> December 2010 and was the eldest of three brothers.

He had grey fur, a long white beard and was muscular and strong. His favourite hobbies were climbing up mountains and jumping over gates. He was like a father to his two younger brothers, always making sure they had food, drink and a safe place to sleep at night. He was always on the lookout for any danger to them.

Unfortunately, Big Billy Goat Gruff got seriously injured by an evil troll when he was trying to cross a river. Luckily, the three Billy Goats Gruff worked together to defeat the evil troll. Then they moved to the other side of the river where they had enough food to eat all day long, just how goats like it!

Sadly, Big Billy Goat Gruff got too old to look after his brothers and he went to live on a farm to be looked after by a kind, loving farmer's wife. He was dearly missed by Baby Billy Goat and Middle Sized Billy Goat. Fortunately, they got to visit him every weekend.

Without a doubt, Big Billy Goat was remembered fondly by everyone who knew him.
