

How to Trap a Wolf

Are you kept awake at night by the sound of wolves howling at the moon? If so, do not despair. Help is at hand. Wolves must be defeated. Follow these instructions and soon you too will be rid of this terrible pest.

What you need:

- a magical spade
- a brown sheet
- some leaves and sticks
- a lump of tasty meat

What you do:

- 1) First dig a deep pit.
- 2) Next, cover the pit with a brown sheet.
- 3) After that, scatter on the leaves and sticks.
- 4) Finally, place the large lump of meat on top.

Now tiptoe behind a tree and wait.

In the end the wolf will not be able to resist temptation and will therefore fall into the pit.

WARNING

Do not enter the wolf's lair as it is cursed and you will never return.
