We Are Learning to:

| | |
|--|---|
| <ul style="list-style-type: none"> Recognise some of the risks when communicating online. | <ul style="list-style-type: none"> Understand that some people may change their appearance online. |
| <ul style="list-style-type: none"> Identify when to say no and that they have the right to say no online and learn when to seek advice. | <ul style="list-style-type: none"> Understand the rules around the use of technology and the impact it has on health and well being. |
| <ul style="list-style-type: none"> Understand the term permission and how it applies online. | <ul style="list-style-type: none"> Understand the appropriate types of content that can be shared online. |

Useful conversations to have at home:

What does online and offline mean?

Why might someone want to communicate online?

What is good about communicating online and what could cause a problem?.

Is it sometimes ok to communicate with people you do not know online?

What are the things you need to think about to stay safe when communicating with people online?
