

Where Does Food Come From?

Complete an activity each week.

Create a model of a farm animal using papier-mâché, plasticine, junk cardboard or anything else you can think of that is suitable!

Research what farming was like in the past and create an information page that includes written information, pictures or drawings.

Design your perfect farm.
Draw a map.

Create a food and farming themed board game with a set of instructions.

Draw your favourite farm animal and write a few facts about it.
