

PSHE Overview

Year Group: Year 3

Term 3

Protected Characteristics: Age, disability, marriage and civil partnership, race, religion and belief, sex.

British values: Individual liberty, mutual respect, tolerance.

We Are Learning about:

- | | |
|---|--|
| • Different groups that make up our community | • The contributions different people make to our community |
| • What diversity means | • The benefits of living in a diverse community |
| • Positive things about ourselves | • What contributes towards who we are |
| • How our behaviour can affect others | • The differences and similarities between people |

Useful conversations to have at home:
What makes us unique and what positive qualities we have.

The difference between good and bad choices and how these affect people.
What we have in our community that shows diversity.

How we can help our local community.
Differences and similarities within your family.
