

Penguin Class Charter

2026-27

Caring

If someone falls over, help them up. Let others join in our games if they want to.

Achieving

Have a positive mindset and keep trying our best.

Respecting

Hold the door open for others and use good manners (please and thank you).

Enjoying

Play with our friends and be kind to them. Tell an adult if we need help or are struggling with our emotions-remember you can use the worry box.

Supporting

Encourage others-use positive words. Help your partner if they are stuck on their work.
